“ We had our wedding at sylen lakes on the weekend and we couldn't have asked for a better venue. Rachel and Nick have been amazing and made sure everything went ok. The day was perfect from start to finish.

We can't thank them enough. The lodge was also lush. We will definitely be returning to stay there!! ”

REBECCA TATAM

“ I wish I could give a million star rating! I don't know where to begin but our wedding was absolutely perfect. Sylen Lakes is beautiful, the venue, the setting, the people, everything. We are so happy we decided to have our wedding reception here. Nick and Rachel are so lovely and did everything in their power to accommodate and arrange every detail we dreamt of. Nick is one of the nicest, most caring and accommodating people we have had the pleasure of meeting, he dealt with every hiccup we had over the process from seeking caterers to DJs when we had original ones unavailable (due to 2 cancellations with the virus), sorting out a TV for a presentation, so many things and on the day he was everywhere, the bar, the reception and even in the lake!!!! (Yes I know Nick, 3 times as well!) Rachel was also everywhere and was so lovely and welcoming too. She even arranged for her son to rescue a drone in the tree! Thank you as we continued that part of the filming after. The whole day and experience was absolutely flawless! The attention to detail was perfect. The staff were also so lovely and extremely friendly and serving and helping our guests throughout the day. Loved the golf too! EVERYTHING WAS AMAZING!!! I could write a book about how brilliant our day was here at Sylen Lakes. Nick and Rachel, thank you from the bottom of our hearts, we will always smile and feel love when we think of Sylen Lakes and our perfect day, like I said, a million stars!!! X ”
